

The Landings
Change Form - Vehicle List
Instructions

Please complete the changes to your Vehicle List information below.

Email Address

Your email information is included in The Landings email data base.
The data base is used to send blast emails, newsletters, Board Meeting notifications and other information to our homeowners.
The email list is not given or sold to any third parties.

RFID Tag Fees

See Gate Tags and Fees on The Landings website (www.thelandingsatweston.com) under the Rules and Policies tab for the current fee schedule.

Note: Guest/Vendor List Changes

Changes to your list of family/friends and vendors that visit you frequently should be made by the homeowner using their online account.
See Homeowner Online Account - Instructions on The Landings website under the tab Forms & Docs - Visitor Management System.
The online list is included on the gate house data base and will expedite the admittance of these visitors.

Contact Property Manager

When you have completed the Vehicle List change form, please contact the Property Manager to arrange a meeting to install new gate entry RFID Tags.
